Smart Cities / Traffic control

A dashboard interface for a system. The sidebar on the left contains a menu with items: Dashboard, Live, Notification Requests, Detected Objects, Cameras, Control Points, Elements, and Identities. The main area shows a calendar view for the months of September, October, November, and December 2018. Below the calendar is a map of a region with several red location pins.

A list of camera streams with their respective URLs. The list includes: 'ecav1', 'ecav2', 'back', and 'main', each followed by a URL starting with 'rtsp://Admin:1234@10.10.1.46:554/stream1.80'. There are also navigation icons on the right side.
