# Why us?

**We assist you along the way - from impartial advice to the very end of realization**

- **Specialized multiple Teams for R&D**
- **Own and audited Manufacturing**
- **Any Lead-time – Any Batch – Any Technology**
- **In Europe – Asia – Middle East**

# Why us?

- **Boutique for high quality and unique end-to-end projects**
- **In-house development capabilities**
- **Out-of-the-box creative solutions**
- **Addressing demanding market segments such as aerospace, industrial and medical**
  - **Decades of experience in delivering cutting-edge PCB solutions**
  - **Renowned for solving complex, high-stakes problems with bespoke engineering solutions**
  - **Trusted by top Original Equipment Manufacturers (OEMs) globally**

# Why us?

- **Delivered customized RF Solutions for global IT EMSs**
  - **Developed high-performance Cutting Edge Medical Solutions**
  - **Designed rugged electronics for heavy Machinery Manufacturers**
- 
- **Analog and Power**
  - **High Frequency**
  - **Electro-Mechanical**
  - **Thermal Management**

# Project Examples - Medical

General Electric Imaging Endoscope

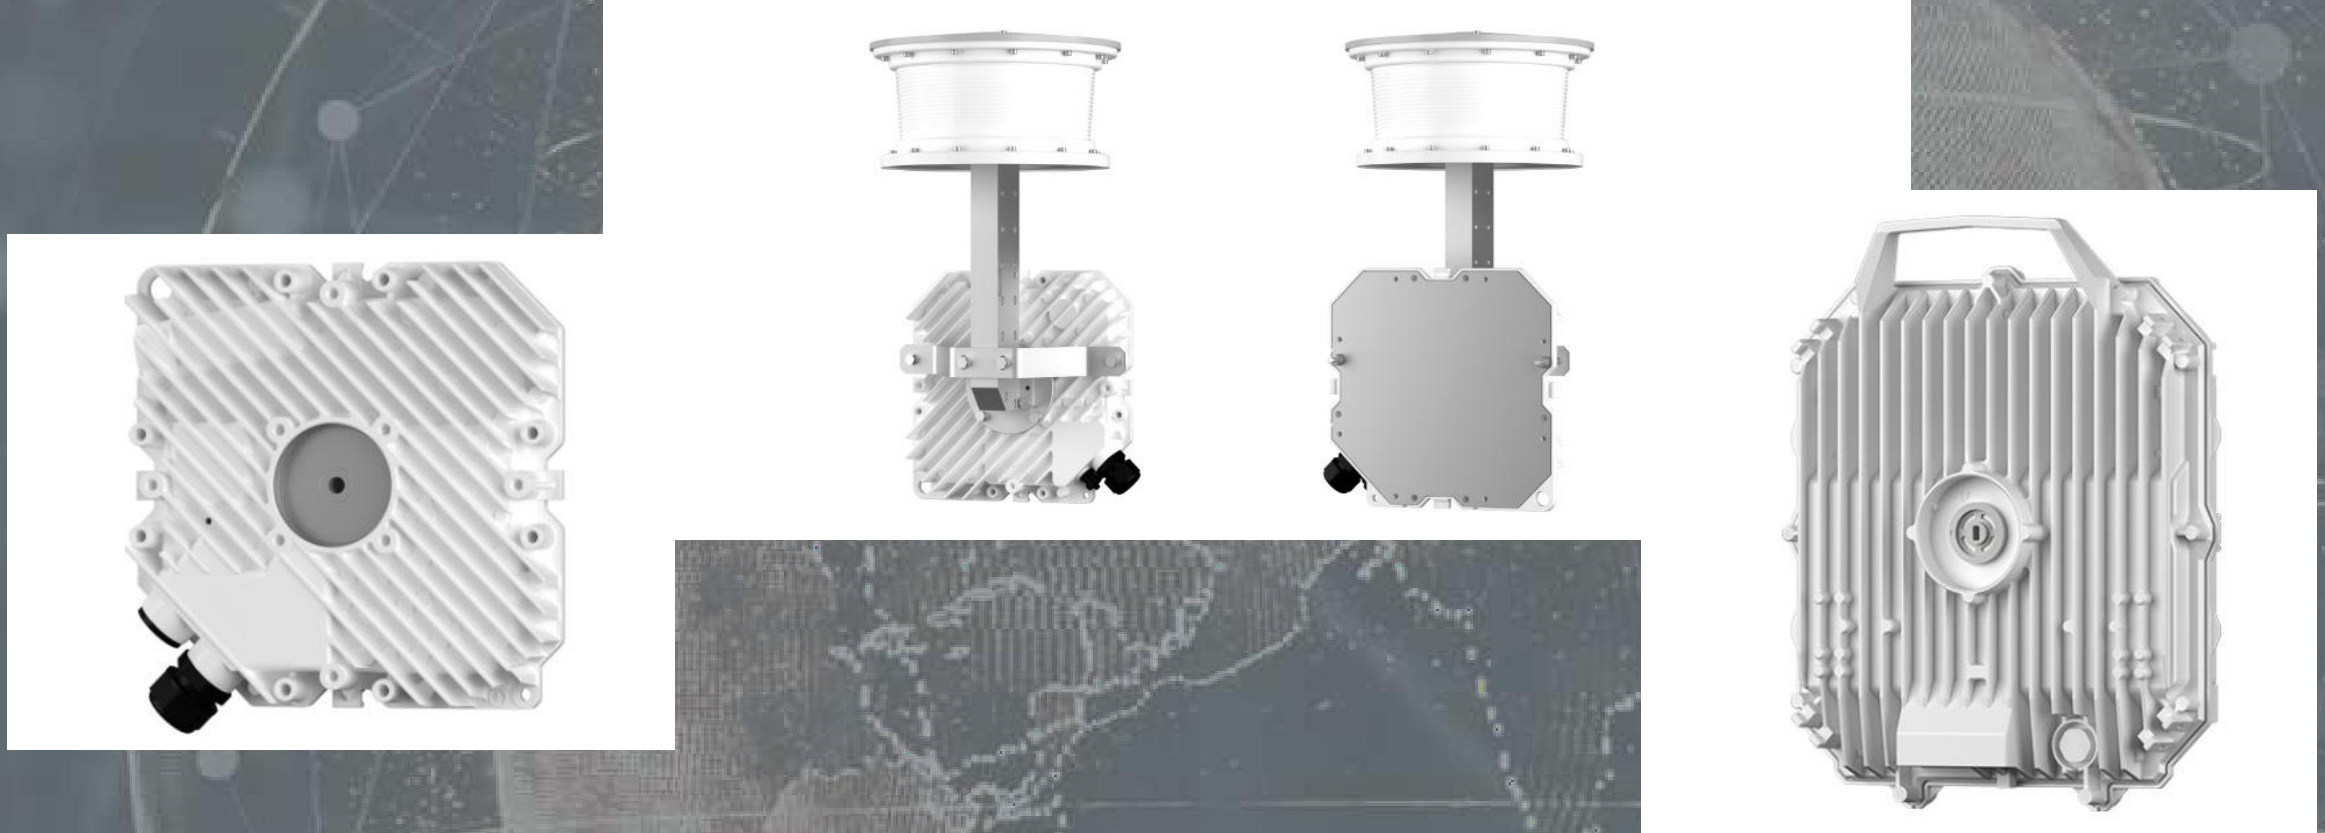

Swallowable Camera

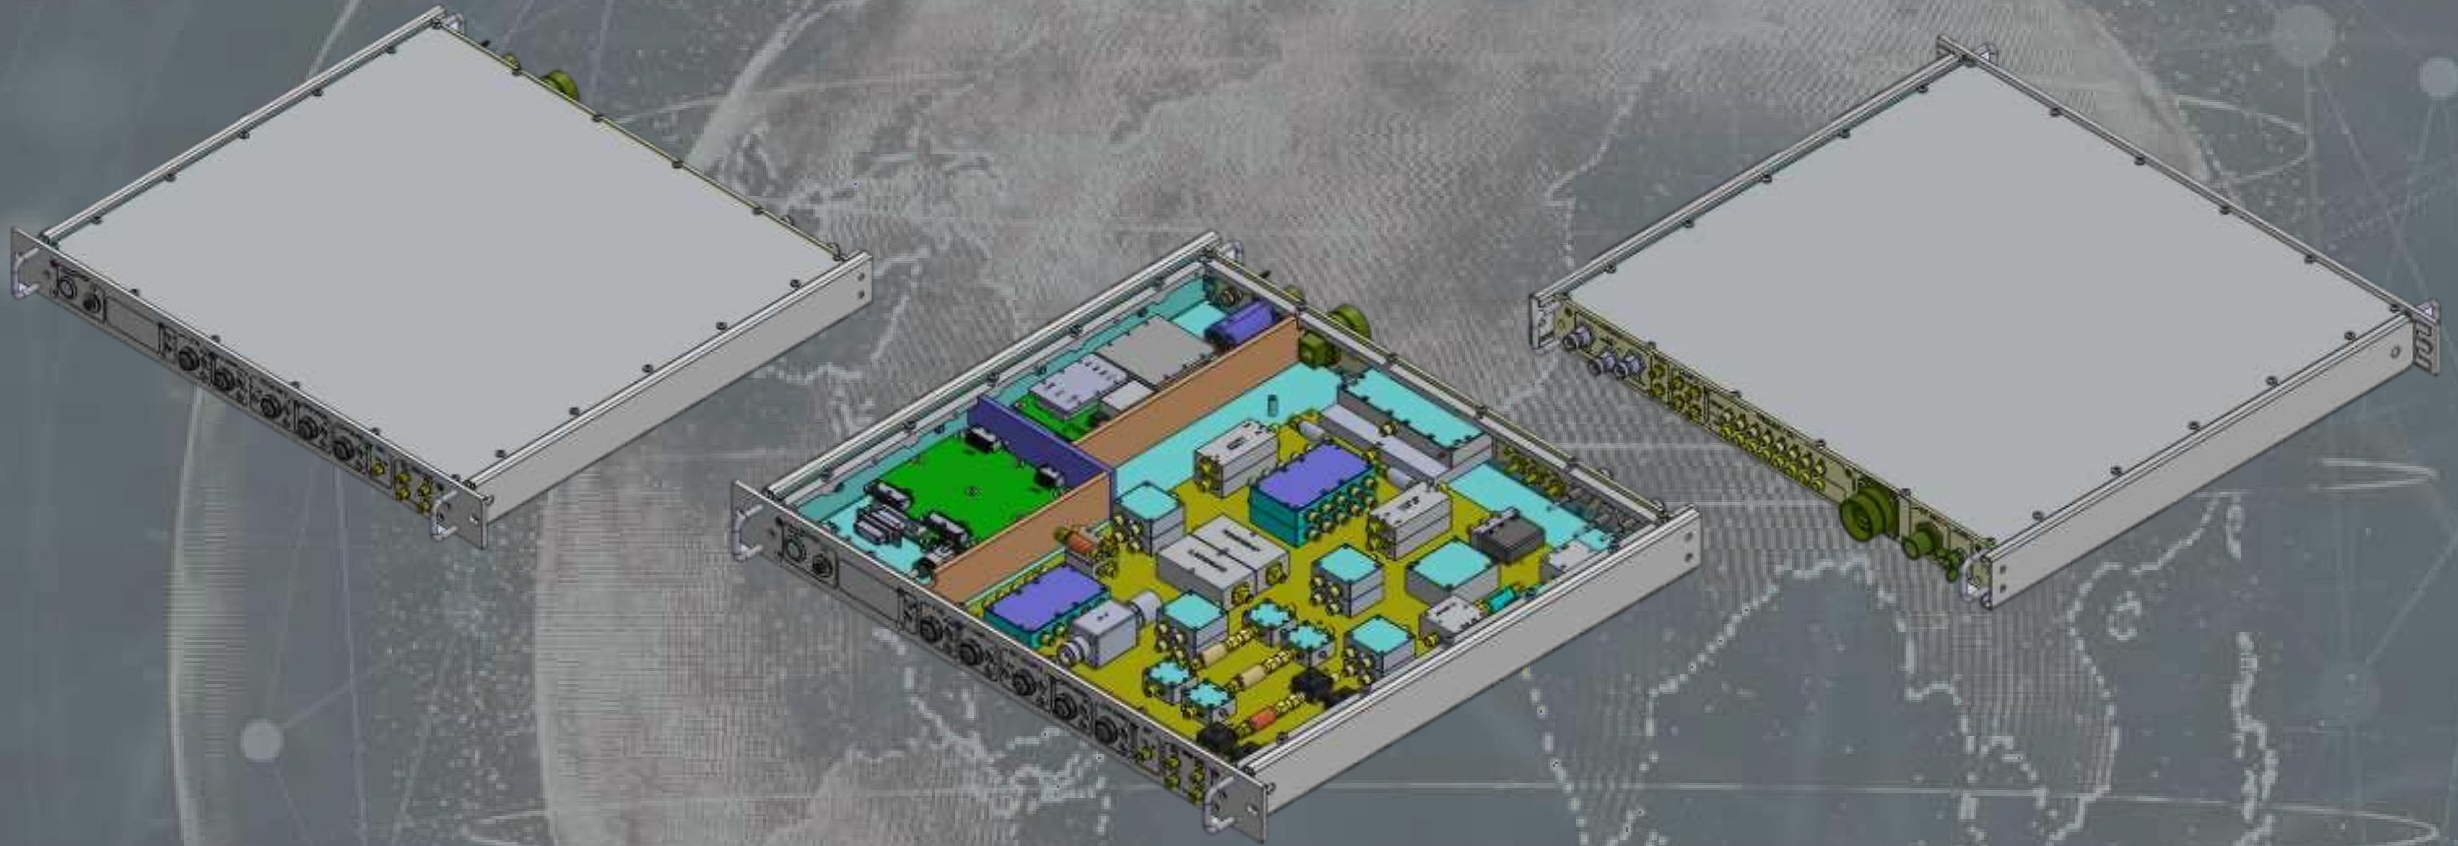

# Project Examples - RF Antennas – Design & Manufacturing

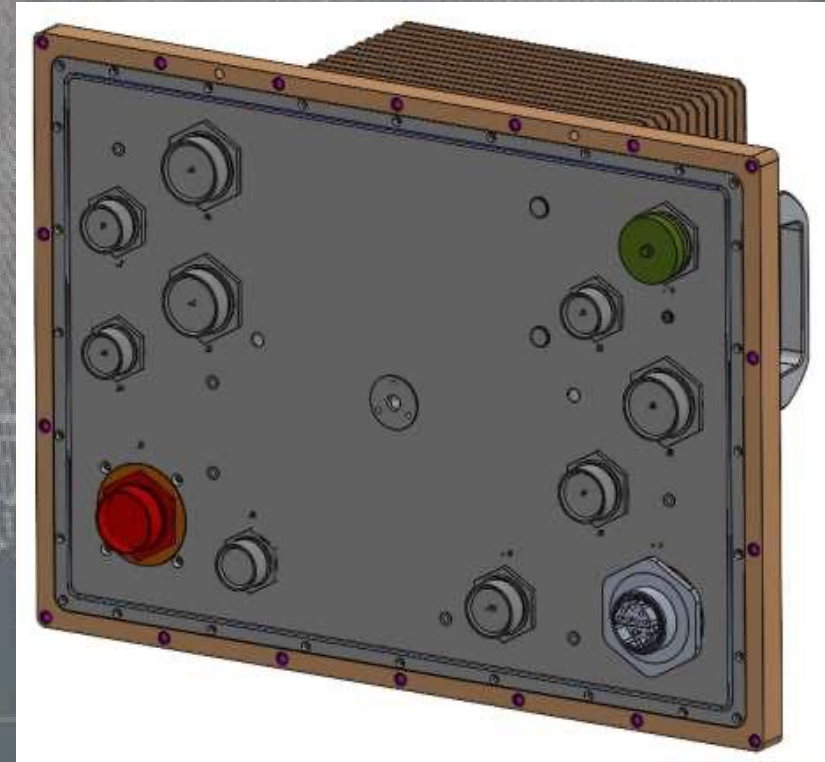

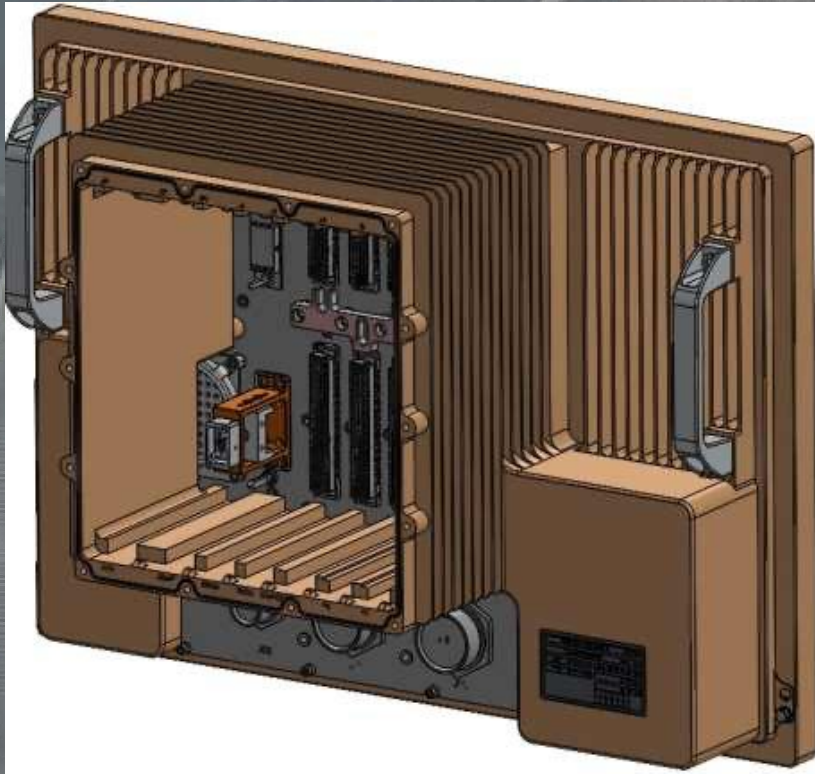

CONFIDENTIAL

# Project Examples - V/UHF RF Distribution Units

CONFIDENTIAL

# Project Examples - Extra Strong Harnesses
